

## Client Day

SEPTEMBER 23 · 2019

Client Day during the 2019 ThinkBIG Conference is dedicated to Abrigo's credit, lending, and portfolio risk product clients. The day is split into two parts

- **User Group** sessions for our Credit Analysis, Loan Loss Analyzer (LLA), and ALLL users. In these meetings, clients can learn first-hand from our product trainers and interface with other institutions that use the products to connect on best practices. Additional registration fee.
- **Abrigo Services & Solution Roadmap Session** includes exciting new product rollouts, enhancements, and feedback. Join us for an afternoon where we will give a sneak peek into the upcoming Abrigo product updates and solicit feedback from you, the users, on how we can develop comprehensive solutions that serve you better. How can we help your financial institution?

**Client Day registrants must be current Abrigo clients and must also be registered for the ThinkBIG Conference.**

### User Group | \$200

To help clients gain best practices and training in select product modules, Abrigo will host a User Group during the 2019 ThinkBIG Conference Client Day. This User Group will include interactive sessions within the Credit Analysis, Loan Loss Analyzer (LLA), or ALLL products.

Sessions will run from 10:00AM–3:00PM and will include lunch.

### Abrigo Services & Solution Roadmap Session | Free

Change can be good! As Abrigo, we have enhanced our services and software solutions. Many of our product enhancements come directly from client conversations. Join us to see the exciting Abrigo roadmap, discuss enhancements, and share your feedback. Abrigo is committed to helping community financial institutions solve problems.

This session will be helpful for bankers who login to the software frequently OR for leaders at the institution who are aware of current pain points and growth objectives.

Discussions will run from 3:30PM–5:30PM and will include interactive brainstorming huddles.

**Register for any of the Client Day options above when you register for ThinkBIG**

REGISTER HERE

Stay tuned for the full agenda for Client Day, to be announced in summer 2019.
